

Sprint 2 Report

Product: Fête

Team name: Fête

Date: 11/4/18

Actions to stop doing:

- We do not have anything we need to stop doing anything as we have been keeping up to date with our schedule and have made good progress on our application.

Actions to start doing:

- Have those that are working on frontend work on the backend to get more experience.
- Have those that are working on backend work on the frontend to get more experience.

Actions to keep doing:

- Continue familiarizing ourselves with the different technologies.
- Continue working on user stories.
- Continue communicating well on slack because it helps with planning.

Work Completed:

- **User story 1:** As a user, I want a Login page, so that I can login in as a returning user.
- **User story 2:** As a user, I want to have a SignUp page, so that I can create an account if I am a new user.
- **User story 3:** As a user, I want to have an account page, so that others can view my page.
- **User story 4:** As a user, I want to be able to edit and create parties, so that others can join my events.

Work not Completed:

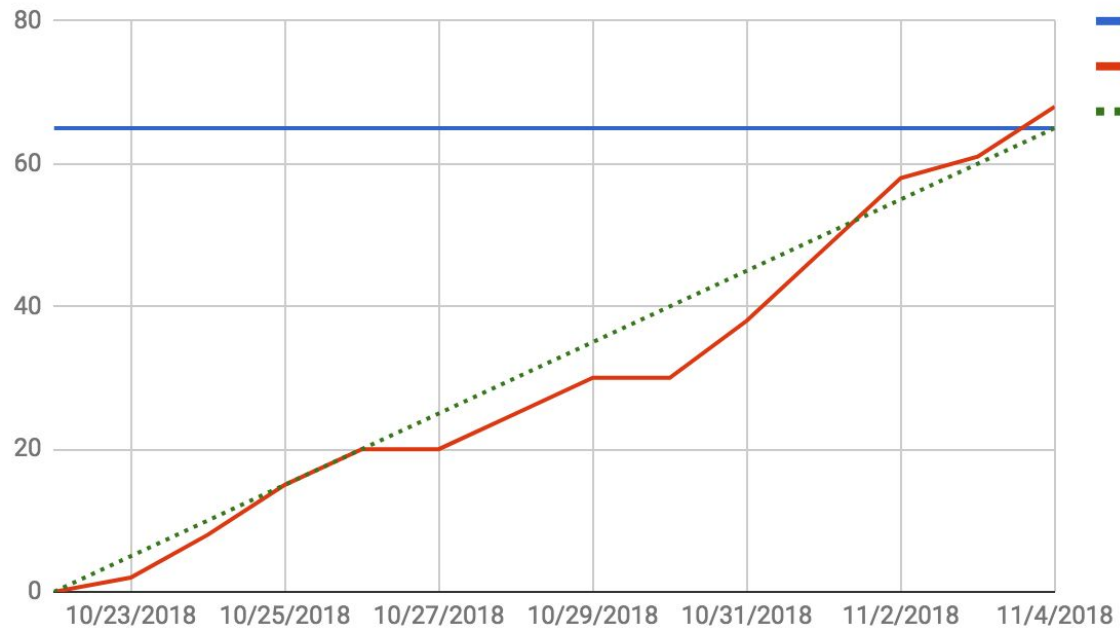

- -
